A PUBLICATION OF KEEP STOCKWELL BEAUTIFUL, Inc.

October 2008 vol. 7

Welcome Fall

Fall is always a welcomed time to KSB. Fall means that the Cole Elementary 4th and 5th graders will be working in Stockwell. Mr. Hoffner, Mrs. Harris, Mrs. DeFreese and Miss Young's classes worked diligently on October 6 cleaning, picking up litter and planting over 40 mums and 200 bulbs. The children reached a new record of collecting 126-30 gallon garbage bags full of litter and yard debris. This is the fourth year the children have participated in this project. This is one of the most successful Service Learning Projects in the Tippecanoe School Corporation. Kathy Heckaman, Cole Counselor and Cooperation Service Learning Project Coordinator, uses the *Cole Kids Clean Up Stockwell Project* in presentations across the corporation. Way to go Cole Cubs, Thanks!

Keep Stockwell Beautiful Honors a "Faithful" Volunteer

Ever wonder how the flowers in town stay so beautiful throughout the summer and hot months? Faith Ball is the reason. Faith has been helping KSB water the flowers around town for two years. She makes sure that the flowers are fertilized regularly and watered to survive the hot weather. She also insures that someone is in place to take over when she is not able to fulfill her responsibilities. Faith is truly an example of being a great community volunteer!!!! Without her help and dedication, our town would not be as beautiful as it is! Thanks Faith!

Collection Totals Since 7/08:

Recycling: 144, 000 lbs. or 72 tons*

Trash: None collected at this time*

Volunteer Contributions

Volunteer Hours: 541 hours donated

Volunteers: 140

Money Saved by Volunteers: \$10,030

*Approximate Figures

Hats off to: Reba Kinder, Brenda/Kevin Tumey, Misty Cochran, Jim Adams, Angela

Rector, The Stevenson Family, Michael Foshee, Bryce Davis, Breyanna Turner and Family, The Stroud Family, The Tumey Family, Kathy Heckaman, Mike Pinto, Steve Lytle, Zach McKinney, The Lappin Family, Michael Corbin and Charles Whitsell.

Cole Outdoor Education Center Cleanup

On October 19, 27 members of the community, Cole staff and KSB Board helped with the ongoing project of the COEC. Areas were cleared of cattails and trees trimmed and removed. There were 12 loads of debris removed and shore line cleaned and cleared. The weather was beautiful and helped make this day a great success. Thanks to all who helped. The next clean up will be in the spring.....keep an eye out for the date.

Waste in Place

A new curriculum will be introduced to Cole's third grade students. Students of Mrs. Erickson, Mrs. Johns and Mrs. Myers will be learning about litter prevention, recycling and other environmental issues. The curriculum is provided by Keep America Beautiful and a KSB board member will be presenting the material monthly. These topics will also meet state educational standards.

The Cole third graders are the "Litter Getters" for the Cole Campus. Thanks for keeping our school clean!

Wildcat Creek Solid Waste District

Did you know that Wildcat Solid Waste District takes Hazardous Waste Material every Monday free of charge? The WSWD is located on South 9th Street by the Tippecanoe Transfer Station. Their phone number is 423-2858.
