

STOCKWELL NEWSLITTER

A PUBLICATION OF KEEP STOCKWELL BEAUTIFUL, Inc.

January 2009 vol. 9

Happy 2009!

Keep Stockwell Beautiful, Inc. started off the New Year with great news! The John and Ruby Parks Foundation will be funding KSB for another year. Thanks to the Foundation for their continued support. This funding allows us to operate our various programs and continue our education programs for the community as well.

Cargill awarded KSB with a *Water Matters* grant. This grant will help purchase the wind powered windmill for the Cole Outdoor Education Center.

Recycling Update

The bin has been filling at a rapid rate. We appreciate all of your efforts to recycle. We also want to thank you for keeping the area picked up. We are trying to work out a schedule to have the bin emptied 2 times a week.

Please do not **leave recycling** on the ground if the bin is full. This creates a litter problem and causes complaints.

Collection Totals Since 7/08:

Recycling: 144,000 lbs. or 72 tons*

Trash: 19,560 lbs. or 9.78 tons

Volunteer Contributions

Volunteer Hours: 712.5 donated

Volunteers: 219

Money Saved by Volunteers: \$15,860

***Approximate Figures**

What is an "Abandon" Car?

We get questions regarding cars sitting in yards. The county code states that all cars

parked in resident's yards must have current license plates. If the cars are not plated with current plates, they can be towed at the owner's expense. Any further questions regarding this or other code issues can be addressed to Tippecanoe Zoning Enforcement at 423-9225.

Hats off to: John and Ruby Parks Foundation and Cargill

Local Business Joins KSB Efforts

The Indiana Crop Improvement Association, Inc. on Stockwell Road will be joining the roadside cleanup efforts of KSB. Alan Galbreth, associate director and his staff have volunteered to clean up Stockwell Road down to the "T." Thanks for helping us out!

Recycling Tubs In Town

If you see blue in the post office, Foley Homes office or other local offices, use them! They have been placed by KSB to help us remember to reduce, reuse and recycle.

Wildcat Creek Solid Waste District

Did you know that Wildcat Solid Waste District takes Hazardous Waste Material every Monday free of charge? The WSWD is located on South 9th Street by the Tippecanoe Transfer Station. Their phone number is 423-2858.
