Cole Kids Clean Up Stockwell

October 5, 2009 was a busy day in Stockwell. There were 82 children and 17 Adults that cleaned, planted and gathered litter throughout town. This annual event takes place every fall and spring. The children with teachers, parents and community members, walk to the post office and from there begin their "whirlwind" of various jobs.

This year the group planted 42 mums and around 375 tulip and daffodil bulbs. They collected 121 bags of litter and yard debris equaling about 1 ton. Approximately 2 miles of road were clean too! All this work in 2 hours time. AMAZING!!!!!!

Hard work does pay off as the Cole Cubs and friends enjoyed pizza at the gazebo. Thanks to the Cole Cubs for helping to Keep Stockwell Beautiful!

Tox Away Day on Hold

Tox Away Day will not be held this year in May. Due to the low response on our last TAD, we have decided to wait another year for this event. Wildcat Creek Solid Waste District on South 9th Street, takes hazardous waste free on Mondays or by appointment. Their number is 423-2858.

Comments on "Our Town"

In the last few months, several "positive" comments have been made about our town. Folks, not residents in our area, have noticed the work that has been going on. "Cute town, clean town, nice town, really nice town, etc.," are just a few of the positive comments made. So, feel proud Stockwell residents, your hard work and perseverance has paid off.....Stockwell is becoming BEAUTIFUL!!!!

Collection Totals Since 7/09:

Recycling: 216,000 or 108 tons

Thanks for all you do!

Bulky Trash

Bulky Trash will take place on October 24-25th at Cole Elementary School. This fall we will also be taking car and small truck tires. We will be LIMITED to the amount of tires that we will be able to take. WE will not be taking any large truck or tractor tires. As always, Bulky Trash is free to all Stockwell residents and our tire collection will also be taken for free. Both these services are **First Come, First Serve**. The collection site will be open from sun up to sun down

Interested in being on our Board?

If you are interested in serving on our Board of Directors, please contact us at the information provided below. We meet 8 times a year, September –November and January-May. The only requirement is that you attend regularly and assisted with any projects or board activities. Come Join Us!

Adopt a Flower Box

Would your family like to adopt a flower box to water during growing seasons? Watering would depend on the weather but most need water about every other day. Please call 523-2891 for information or if you are interested. Great Family Project!
