

# STOCKWELL NEWSLITTER

## A PUBLICATION OF THE KEEP STOCKWELL BEAUTIFUL PROJECT

February 2007 vol. 4

### **Local Artist Makes Contribution**

A local artist, Donna McIver, has donated her time and talent to develop the logo for Keep Stockwell Beautiful. The logo will be used to identify Keep Stockwell Beautiful along with the National logo for Keep America Beautiful.

### **Keep America Beautiful Certification Update**

We have completed the paper work and surveys for our Affiliation process. We are waiting to hear from Keep America Beautiful. Please mark on your calendars for May 11 at 10:00 AM for an official ceremony at Cole Elementary. We will be the smallest Affiliate out of 566 in the world!

### **Flowers “Springing Up” Update**

There were 140 Daffodil bulbs planted this fall. Look for more to be planted this spring! Flowers will be springing up everywhere!

### **John and Ruby Parks Foundation Funds KSB for a Second Year**

The John and Ruby Parks Foundation will be sponsoring projects again this year through Keep Stockwell Beautiful. Without the assistance of this foundation, we would not have Tox Away Days, Bulky Trash Days, flower boxes, flower plantings, etc. Thank You!!!

### **Web Site is Up and Running**

Thanks to the kind donation of time, Seth Steward, has designed a wonderful web site for KSB. This web site will have the latest information and will

provide links to our calendar and newsletter. Friends and family from around the world can see what is going on in our town! The address is [www.keepstockwellbeautiful.org](http://www.keepstockwellbeautiful.org) check it out!

### **Outdoor Education Center**

The Cole Elementary Outdoor Education Center will be getting a “face lift.” Several social service agencies in the Stockwell Community will be assisting in the process. Local experts from the Tippecanoe Soil and Water and a Parks and Recreation Naturalist have viewed the area and made recommendations for the clean up process. An organizational meeting will be called soon so that the process of revitalizing the center can begin.

### **Yard Contest Coming**

Keep Stockwell Beautiful will be sponsoring a Yard Contest with cash prizes. The contest will begin this May and continue for three months. There will be more information coming soon!

### **Backyard Conservation Program**

The Tippecanoe County Soil & Water Conservation District (SWCD) will be holding a backyard conservation workshop for homeowners in Lauramie Township on Saturday morning, April 14, 2007. Residents of Clarks Hill, Stockwell and neighboring areas who are interested in bringing wildlife to their backyards, improving the environment and making their landscaping more attractive should put it on their calendars now! Make the most of your backyard. This half day workshop will include sessions on planting native species, attracting wildlife, butterflies, birds, water sources, insect control, and much more. Get valuable tips from professionals and trained habitat

## A PUBLICATION OF THE KEEP STOCKWELL BEAUTIFUL PROJECT

February 2007 vol. 4  
stewards. Specific time and location in  
Lauramie Township to be announced.

**Total Collected Since 4/1/05:  
Approximately 100,000 lbs.  
Not including Recycling**

**Hats off to: Esther Forville, Reba  
Kinder, Mrs. Harris' class for  
cleaning around town, Mrs.  
Erickson's class, Mrs. Neer for  
helping with the trash can design.!!!!**

#### **Contact Information**

If you would like to contact KSB, our mailing address  
is:

Keep Stockwell Beautiful  
P.O. Box 13  
Stockwell, IN 47983  
krisksb@gmail.com

#### **Cole Collecting for our Environment**

The "Green Team" from Mrs. Erickson's  
third grade class, is starting a 4 week  
recycling competition. The grade level  
that brings in the most *ink cartridges*  
*and cell phones* will win an ice cream  
party. The class will continue to collect  
until there is no longer an interest.

There is a drop off located at the front of  
Cole Elementary. Please complete a slip  
for each item brought in.

Thanks for helping out our environment!

## RECYCLING UPDATE

**The recycling bin is all one bin. You do not need to separate  
your items.**

**Please be sure that you are only recycling the following items:**

**Glass of all colors, tin, aluminum, steel,  
plastics 0-7, newspapers, magazines, smashed cardboard and  
slick cardboard boxes.**
